INSPIRATION: By Nancy Stepina-Robison

Let us pray silently together, according to our individual beliefs.

Let us offer thanks for our food, blessings, and for one another.

Let us be a source of hope for those in need, and contentment for those who are lonely.

Let us give gratitude for our opportunity to serve Rotary.

Let the feelings of love, kindness, and a well directed, yet gentle spirit always be reflected in our actions.

Help us to understand that no matter what name is given and in what language it is expressed, the Golden Rule is a true guidepost by which we should mark the milestones of our existence here.

We pray that you continue to bless the work that we as Rotarians from many nations and of many faiths, do to help those less fortunate, for we believe that one manifestation of this golden rule is in our Rotary motto - Service Above Self.
