## PROGRAM: Big Bend Homeless - Holly Bernardo

As the CEO of the Big Bend Homeless Coalition, Holly Bernardo is passionate about serving those who are experiencing homelessness and talented in finding innovative solutions to do so. Holly spent a number of years in her youth doing humanitarian work in Nicaragua, Japan, Uganda, and Mexico which left an indelible mark on how she finds meaning in the world.

Holly grew up in the Tallahassee area, and earned a master's degree in Marriage and Family Therapy from Trevecca Nazarene University in Nashville, Tennessee. She is the former Chief Development Officer at the Kearney Center and in 2021 was named the Big Bend Fundraiser of the Year by the Big Bend Association of Fundraising Professionals. As she shares, "I'm proud to ask for support for those who cannot voice their needs. We have to build workforce housing that people can afford. It's a crisis that needs discussion."

As an advocate for veterans and housing, Holly was recently accepted by the George W. Bush Stand-To Veteran Leadership Program, which brings together national leaders to provide thought leadership on veteran and military family transition issues.

## INSPIRATION: By Major Harding

Gracious God, we come today with grateful hearts to thank you for Rotary and for the wonderful work it is doing and has done over the years and around the world to help those in need. We also are thankful for the fellowship and friendship Rotary provides to our fellow Rotarians. We are grateful for the Four Way Test that gives guidance for our daily lives. We ask your blessing on our program and speaker today, and we make our prayer in your holy name.

Amen

## History Nugget

In the 1990s, with back-to-back presidencies by outstanding Rotarians like Wayne Edwards, Major Harding and Ivan Johnson, the Rotary Club of Tallahassee reached its membership zenith with over 250 members. A quarter of a century later, COVID and other changes have reduced that total but we have another century ahead of us for new achievements!
